

Getting Grade 7's Ready for Grade 8 – 2019-20

Hello and a warm welcome to our soon-to-be Grade 8s (Grads of 2024) and parents/guardians.

It is probably hard to imagine that Grade seven is almost over, and that it's time to think about the next grade and moving to a new school. We are excited to meet you, and help get your child ready for the move to Sa-Hali Secondary. Here's a brief outline of events coming up to prepare you and your child for Sa-Hali in **2019-2020**.

There are three events planned to help ease the transition to Sa-Hali. One item not on the list is Sa-Hali Secondary Counsellor visits to your child's school which have already occurred.

Grade 7 Student Visits to Sa-Hali Secondary

June 3 & 12 ~ Depending on current elementary school

Student tours have already been pre-arranged with your child's elementary school. If your child currently attends: **Dufferin, Pacific Way, McGowan Park** or **Summit Elementary**, they will be transported to Sa-Hali on tour day via school bus. If your child attends another elementary/middle school in the district, other than those mentioned above, you will be responsible for transportation to and from Sa-Hali Secondary on tour day. Students will receive information about Sa-Hali, and will participate in a fun, and interactive tour of the school conducted by senior students.

Grade 7 Parent/Student Transition Information Night

Wednesday, June 19 ~ 6:30 – 8:00pm in the Library at Sa-Hali Secondary

Parents and students are invited to meet the Principal, Vice-Principals and assorted staff at this evening session. The night will include a presentation, Q & A, handouts and an opportunity to tour the school campus. We hope to see as many families at this session as possible in order to be prepared for the upcoming year.

Grade 7 Integrated Learning Centre Open House

Tuesday, June 25 ~ 2-4pm at Sa-Hali in Room D6.

For students who have a Ministry Designation (Inclusive Education Plan) and have been connected to a Learning Assistance Teacher in their elementary school, there is an open house to allow you and your child to meet the Learning Service Team here at Sa-Hali. A team member will be connecting with you soon for more information and a reminder.

There will be more information coming out to you regarding the September start up. Again, we look forward to working with you and your child. It's an exciting time in their lives and we hope to make it a positive and engaging experience.
